

CITY ENGINEERING COLLEGE

Approved by AICTE New Delhi & Affiliated by VTU, Belagavi Doddakallasandra, Off Kanakapura Main Road,
Next to Gokulam Apartment, Bengaluru-560062

Rules and Regulations:

- There will be two rounds in this TECH-TALK.
- In the initial round, participants will be assigned debate topics. Each pair of participants will be assigned a single, specific topic.
- The final round is restricted to the highest-performing participants selected from Round 1.
- Finalists will randomly select a paper containing their assigned technical topic.
- Each participant is required to immediately deliver a cohesive talk based on the technical subject they have drawn.
- **Timer:** A visible countdown timer for all to see.
- The speech must be continuous. Long pauses is not allowed and will be disqualified.
- The preparation time of 60 seconds will be provided after participant chose the topic.
- No phones, no laptops, just your brain.
- Judges decision will be final.

Competition topics will be situated within the following high-priority technology sectors:

- ✓ Artificial Intelligence and Machine Learning
- ✓ Core Computer Science Principles
- ✓ Internet of Things (IoT) Ecosystems
- ✓ Advanced Cybersecurity and Information Assurance

Substantial **prize money** will be awarded to the top-placing participants in recognition of their performance and achievement throughout the competition.
